The Independent Hearings Panel held a conference on Tuesday, 24 March 2015 to discuss the re-zoning and precinct topics. The panel directed Auckland Council to provide its recommended pathways for the rezoning and precincts submission points by Monday, 15 June 2015. This information was received on that date and can be found [here](#).

On 24 March 2015, the panel indicated that the conference would continue on Friday, 3 July 2015. The panel has assessed the further information provided by the Council and feels it no longer requires to meet with the Council to discuss the information, therefore, the conference on Friday, 3 July 2015 has been cancelled.

The panel will respond to this information in writing as soon as possible, and a draft timetable for the remaining hearings on the Proposed Auckland Unitary Plan is expected to be released in July 2015.
